During the spring of 2022, your organization submitted a preliminary application for funding from the Appalachian Regional Commission for the **Upgrade Hagerstown WW Pump Station 13 on Western Maryland Parkway** project. Based upon projected funding allocations for FY2023, you are invited to submit a full application for project funding in the amount of \$530,000 from the Appalachian Regional Commission.

Please be aware that submittal of an application does not guarantee funding for a project as all projects are reviewed at the Federal level for final approval. Applications should be submitted at your earliest convenience but not later than November 18, 2022.

Application forms and technical assistance are available by contacting the office of Tri-County Council or online at <https://www.tccwmd.org/apply-online/forms-and-applications/>. Should you have any additional questions, please do not hesitate to contact me.

Sincerely,

Guy J. Winterberg
